

REMARKS

A Notice of Non-Compliant Amendment was issued regarding claims 22-30, which were marked withdrawn but the full text of the claim was not included. These claims were subject to a restriction requirement and were previously withdrawn from consideration and canceled. The claims have been properly marked as canceled.

The current status of the claims should be: Claims 1-21 and 31-40 are pending. Claims 4, 5, 10, 14-21 and 31 are amended. Claims 32-40 are new. Claims 22-30 are canceled. Due to a numbering error, the previously second listed claim 15 has been renumbered to 16. The following claims have been renumbered to reflect this correction.

Respectfully submitted,

BERRY & ASSOCIATES P.C.
